

Jesus Befriends Zacchaeus

Luke 19:1-10

“So now I am giving you a new commandment: Love each other. Just as I have loved you, you should love each other.”
(John 13:34)

Jesus loves everyone... and sees our potential.

Here's the thing about how Jesus sees you: He doesn't see just what others see. He sees your potential, too. He sees what you'll become if you hang around him and let him lead your life.

Because you really bloom when you stay close to Jesus. That's when you become the person he created you to be.

When you're his friend, Jesus opens your heart to love others and yourself. Opens your mind to what's true. Opens you up to feel joy.

If you want to be all you can be, be his. Give yourself to Jesus, and he'll give you back the best life you could possibly have!
