

BREAKING NEWS! CanDo's Napa Valley *Give!Guide* 2020 will launch on Giving Tuesday, December 1. St. John's Mission Farm will be one of 60 non-profit organizations serving the community participating in this fund-raising effort! The *Give!Guide* website (www.CanDoGiveGuide.org) provides information about the mission of each of these organizations. Furthermore, the website makes it easy to support any or many of these non-profits with supporting gifts, beginning with gifts as little as \$10! Hopefully, our Mission Farm will be one you choose to support. Remember, many \$10 gifts (just like many hands) makes great works possible!

Our Mission Farm surely needs your financial support at this time. The Food Bank distribution center in the town of Napa had been serving about 50 families a week. Because of the economic effects on jobs due to the COVID-19 pandemic, they are now called on to feed more than 300 families a week! In response the Mission Farm expanded its operation. And the need will not quickly go away, even after we get a handle on this pandemic. So prayerfully consider a substantial gift this holiday season to our Mission Farm. You can use the *Give!Guide* website (www.CanDoGiveGuide.org) to make your gift. Or make a gift to St. John's Lutheran Church, designating it for the Mission Farm, sending it in via any of the methods the congregation has made available to you.
