Assessment Questions

Here's how each question in the assessment was answered.

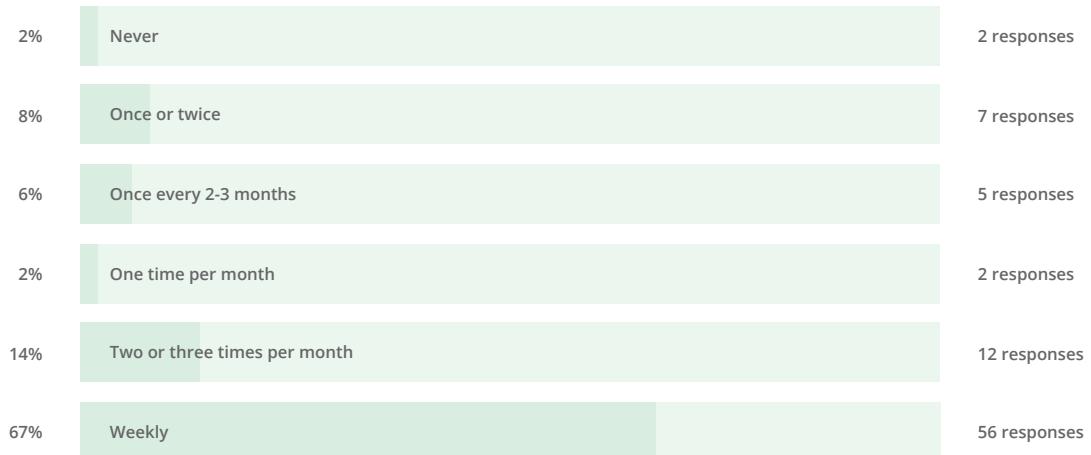

Before the COVID-19 pandemic, on average, how often did you attend a worship service at this church?

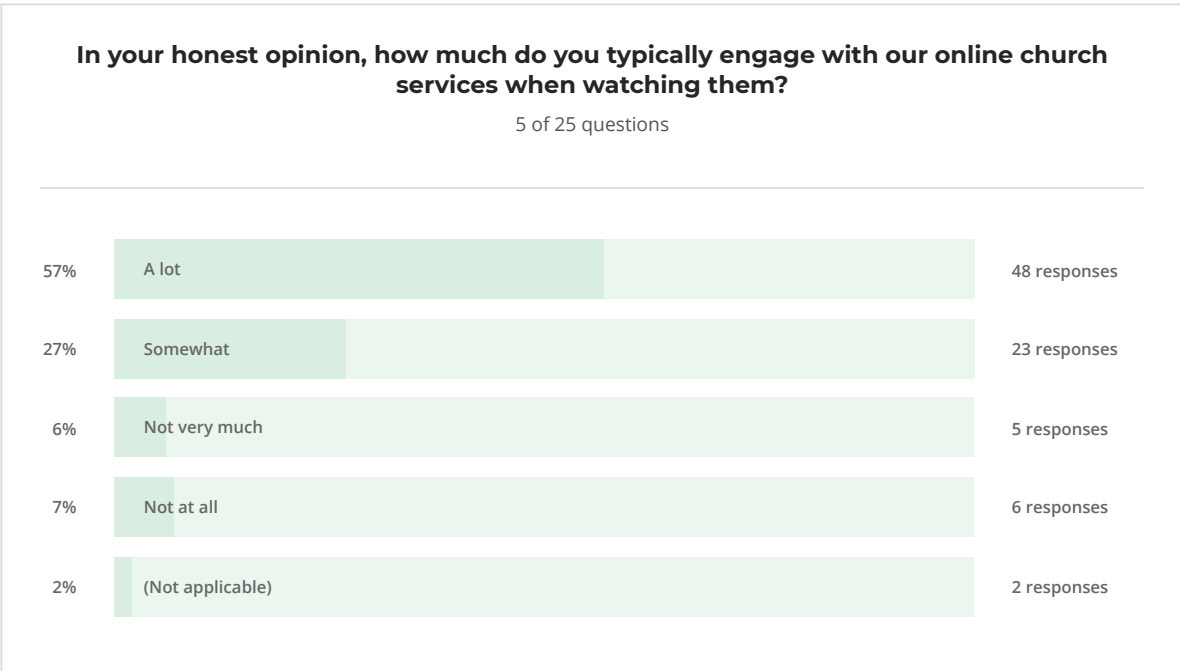

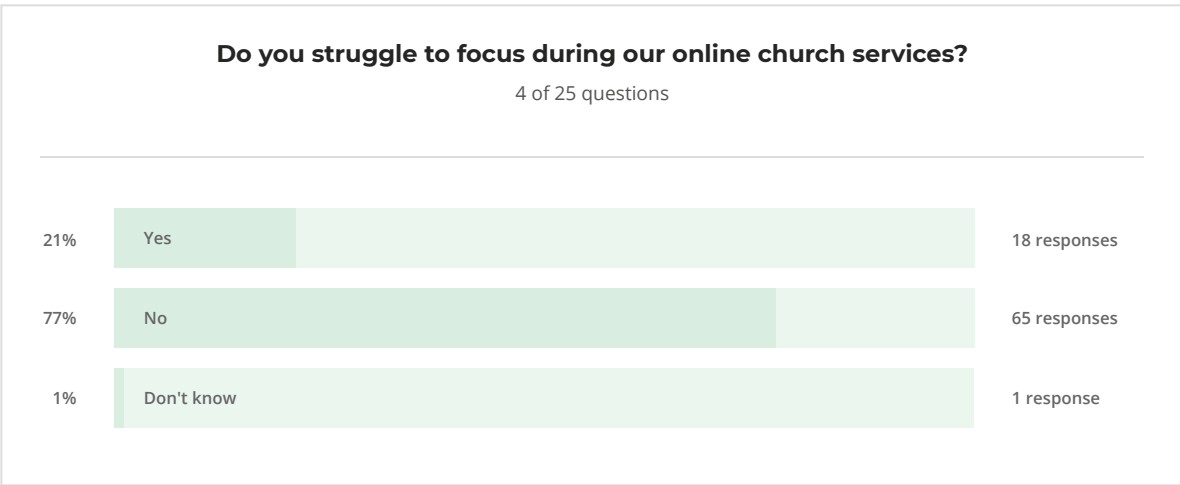

1 of 25 questions

During the COVID-19 pandemic, how often have you attended worship services at this church, either in-person or digitally?

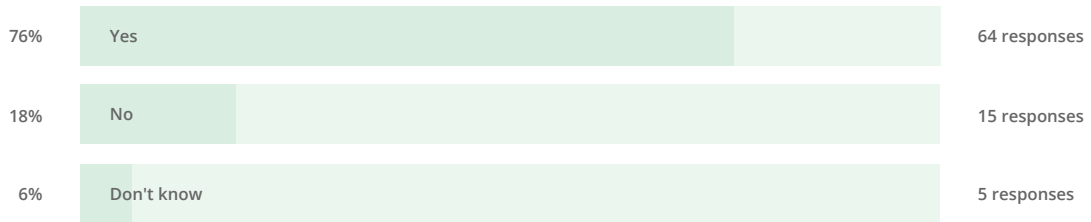

2 of 25 questions

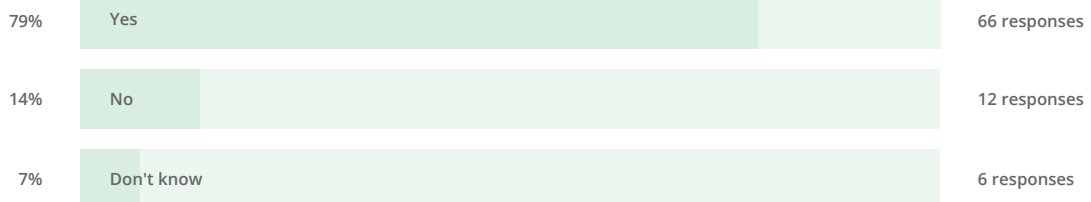

In our online church services, do you learn as much from the sermons as you would in person?

6 of 25 questions

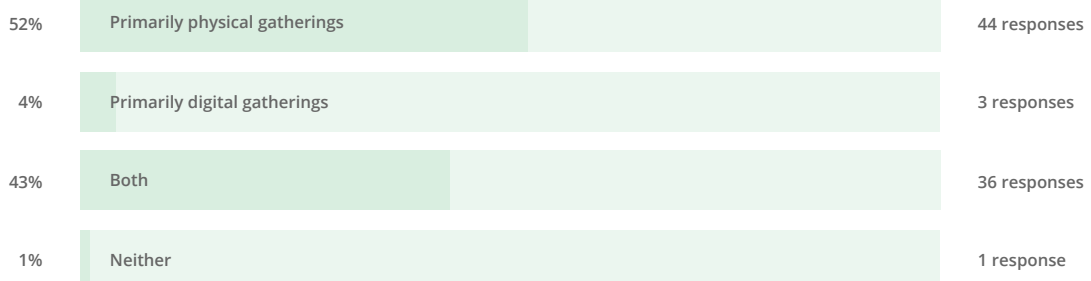

Did your experiences during the COVID-19 pandemic make you more open to the idea of digital church in the future?

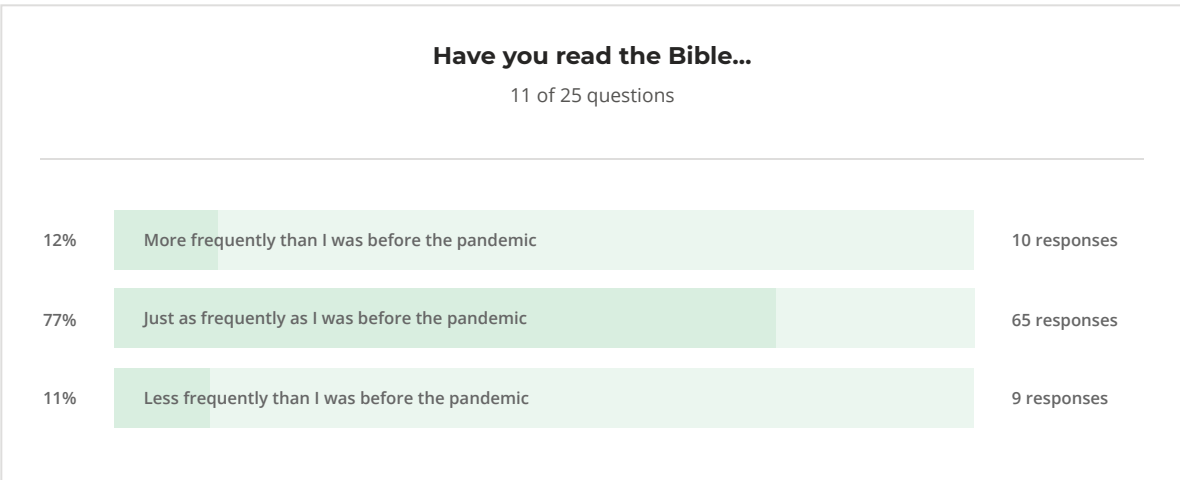

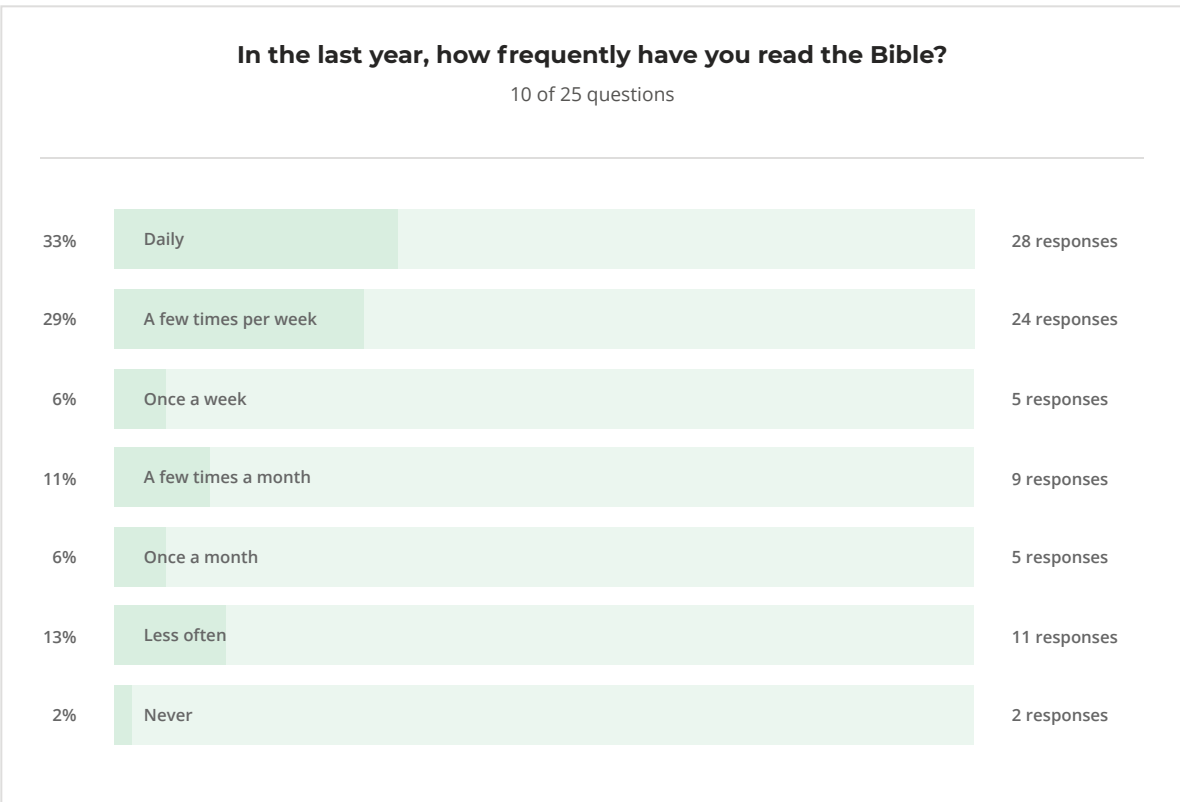

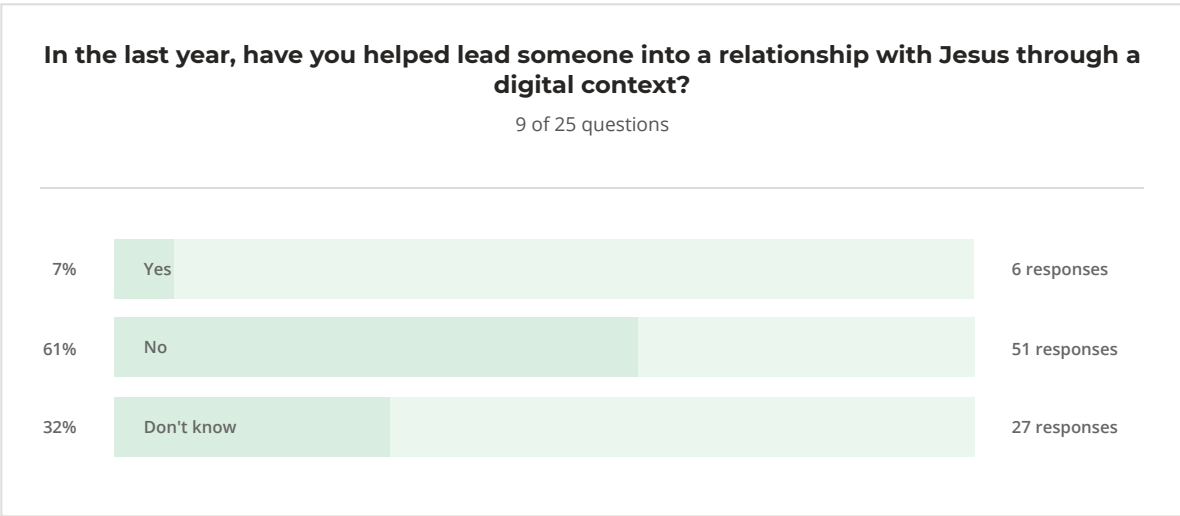

7 of 25 questions

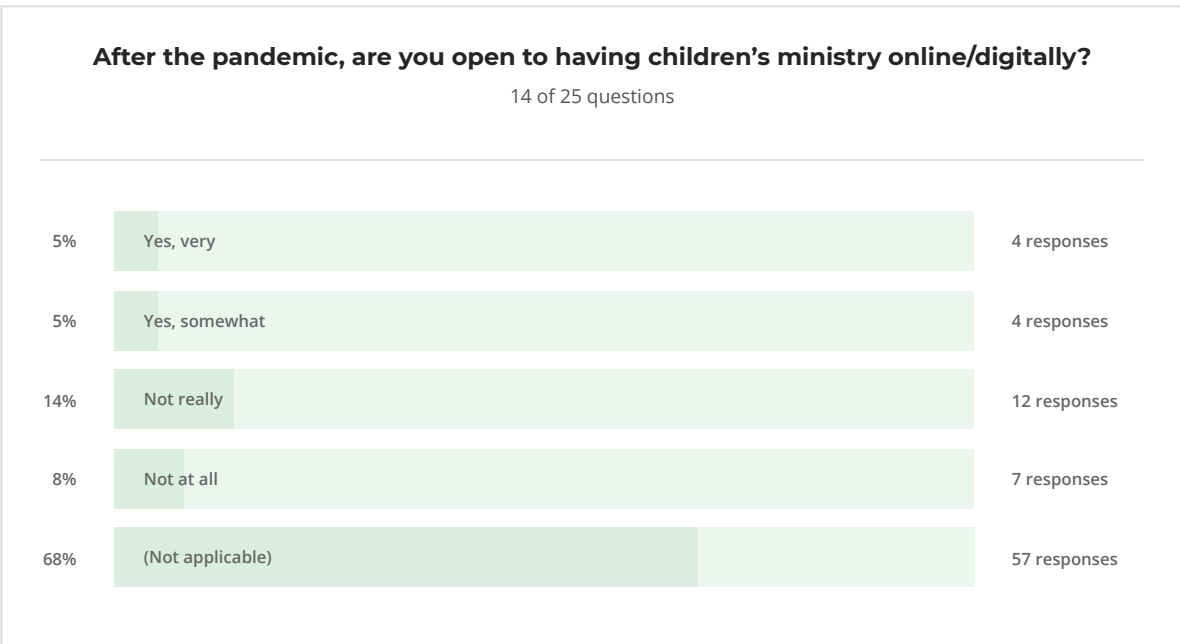

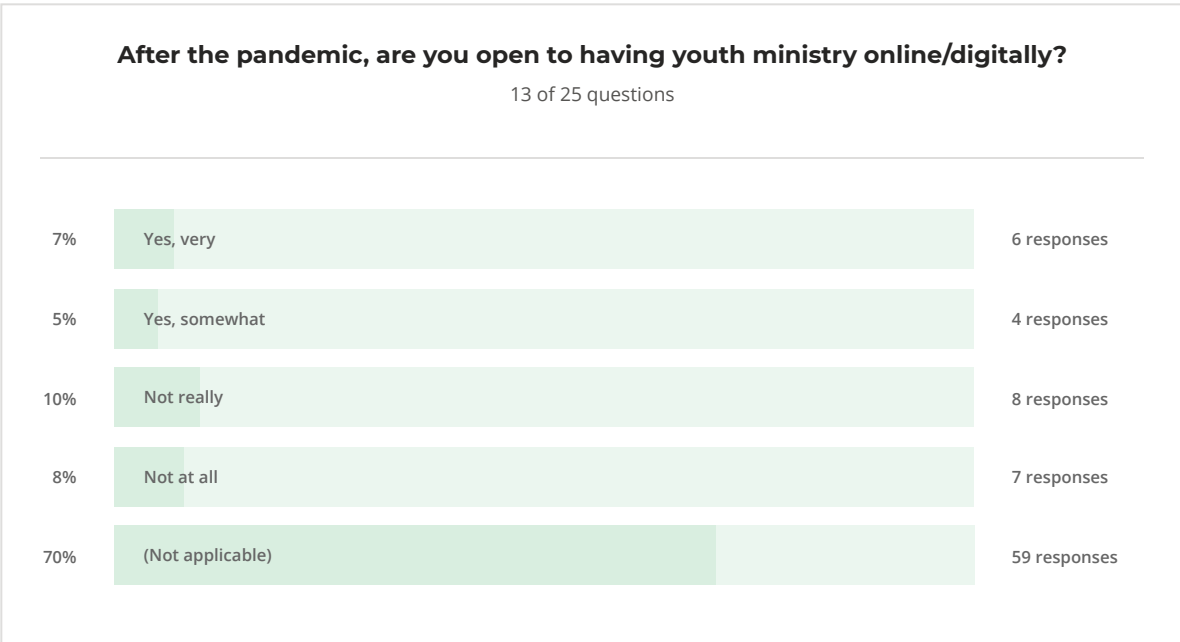

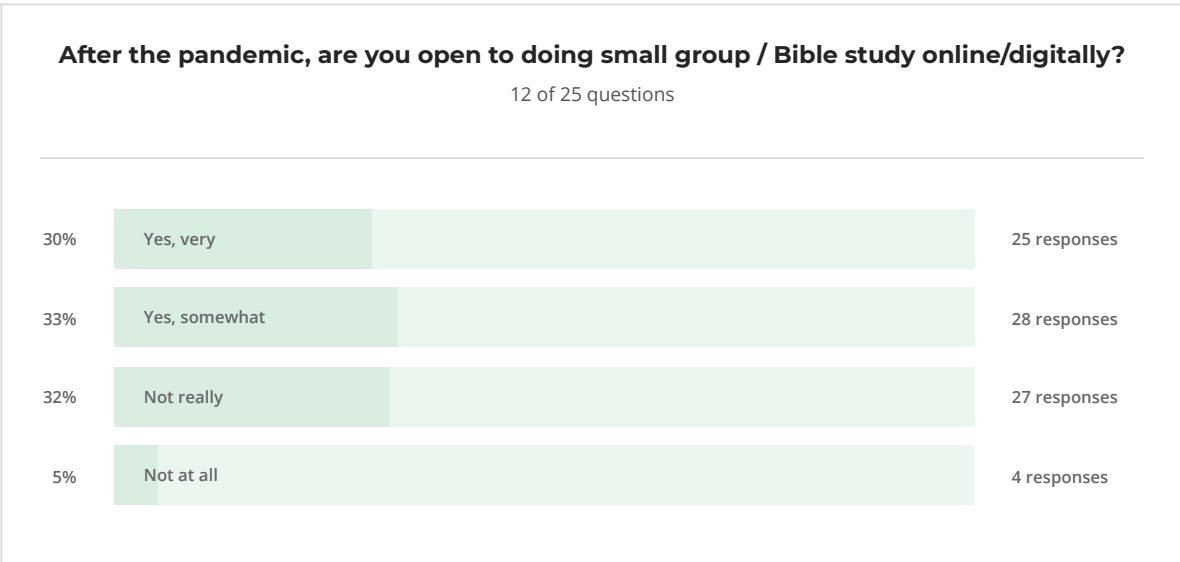

After the COVID-19 pandemic, what kind of church service gathering will fit your lifestyle the best?

8 of 25 questions

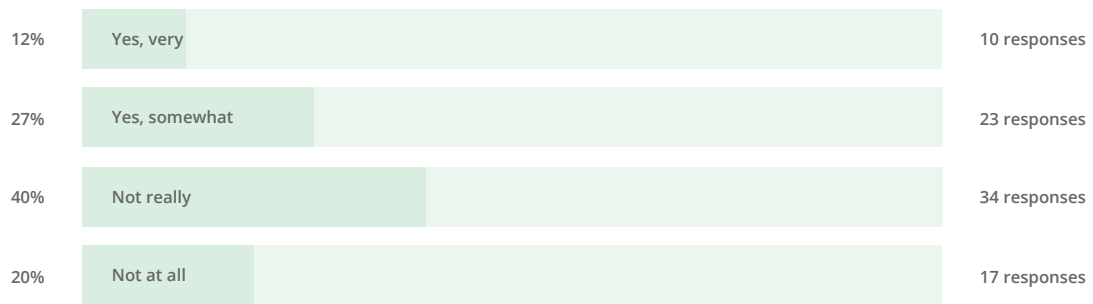

After the pandemic, are you open to volunteering at church online/digitally?

15 of 25 questions

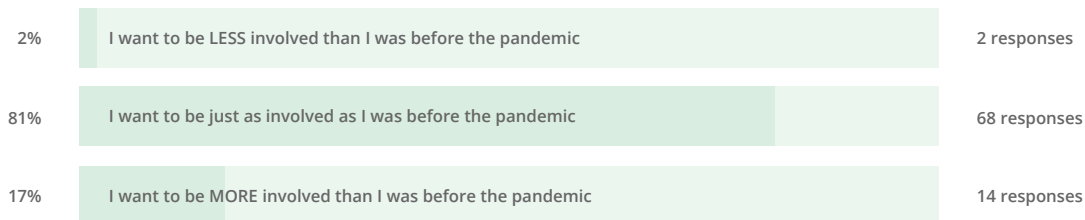

If you had to choose one item, what would you say you missed the MOST about the in-person church experience during the pandemic?

16 of 25 questions

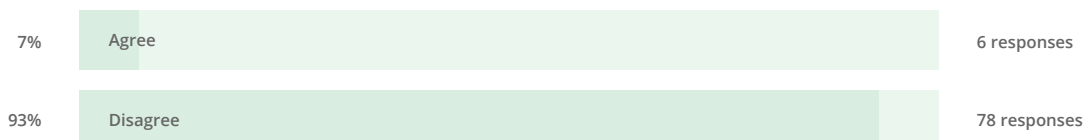

Once pandemic restrictions are lifted, how involved with this church do you want to be?

17 of 25 questions

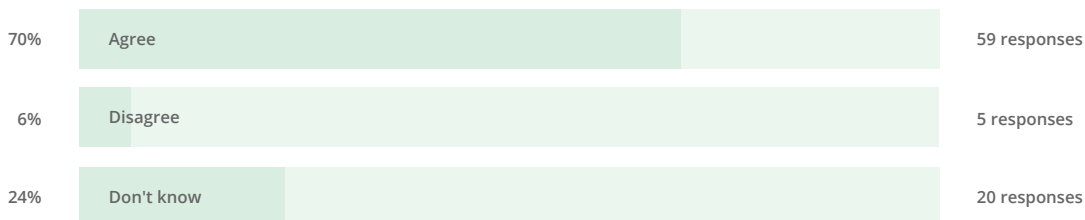

I have seen a decline in my spiritual life over the past few months.

18 of 25 questions

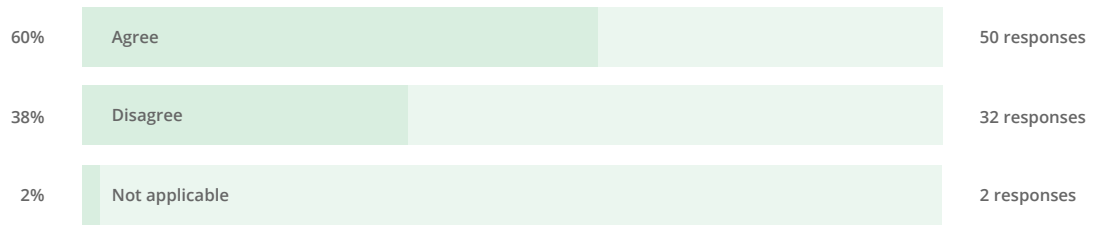

After the pandemic, this church should use digital resources for spiritual formation / discipleship purposes.

19 of 25 questions

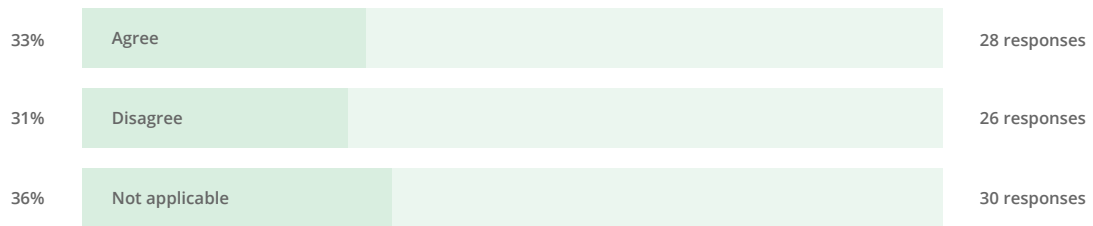

When I attend church digitally, I feel connected to my church community.

20 of 25 questions

I would like to be coached and / or given tools for how to share my faith with non-Christians digitally.

21 of 25 questions

When I watch a digital church service, it is important to me that the service is "live" and not pre-recorded or watched on-demand.

22 of 25 questions
