Worship Series

Better Together

Reclaiming our St. John's Community

COVID has been hard on community. This has been true for families, for friends, and for the city in which we live. It has also been hard on our congregation as a community. For months, we could not worship together, and some are still not ready to resume in-person gathering. So many activities that have been part of our normal congregational life had to be put aside in the interest of safety and health.

It's time to reclaim who we are as the community of God's people. It's time to reboot our identity as members of a church, branches on a vine, sheep of a flock, stones in a building, and parts of a body.

The worship series "***Better Together***" focuses on what it means to be a congregation. We will be looking at the Biblical metaphors and images for the local church, and seeking to apply these truths to our lives, both individually and as a congregation. Along the way, we will be inviting your participation in activities and events designed to bring us together as a church, so that we can rediscover the Biblical truth that, as the people of God, we are truly "better together."

Date	Title	Focus
August 22	Reclaiming Community	The Christian Faith is designed to be lived in community. Focus on the “one another” words in scripture and being the mirror of the community of God, the Trinity.
August 29	Beloved Bride	Focusing on the image of the Church as the bride of Christ. The Church is the beloved of the bridegroom for whom He suffered and died. Do we look at each other as the beloved of God?
September 5	Caring Family	We are a family. The Trinity uses family language. Our relationship with God is in familial terms. This week will emphasize caring for each other. We will especially celebrate our Stephen Ministry and Biblical Counseling Ministry this Sunday, as well as other ways we support and care for each other
September 12	Listening Flock	We are the sheep that hear the Shepherd’s voice. This week will focus on being fed by the Shepherd. The blessing of feeding on the Word together. We will be resuming Sunday Morning Bible Class this week, as well as training for new small group leaders on using Right Now Media video resources for small groups.
September 19	Serving Body	We are uniquely gifted and brought together as one body to serve. This week will focus on serving in and through the congregation. We will highlight ways of serving together as the body of Christ and look forward to a ministry fair on October 3.
September 26	People on Mission	The church exists on Earth for the sake of God’s mission. We are called to be workers for the harvest, sent by Christ into the mission field of our daily lives. Our guest preacher this Sunday is Rev. Joe Robb, California-Nevada-Hawaii District Assistant to the President for Missions.
October 3	Worshipping Community	The end goal of the mission is worship. We will focus on the importance of worship and what happens when we come together. We will introduce ways that we will be enhancing worship as we move forward.

Please Make Note of these dates:

- **September 12** - Sunday Morning Bible Class begins led by Pastor Mike after worship
- **September 15 and 22** – Training for Small Group Leaders using Right Now Media Video resources
- **October 3** – Ministry Fair: Learn about ways to serve in and through St. John's
- **October 6 – November 17:** Foundations Class led by Pastor Mike - Biblical Christianity, worldview, ethics and discipleship

But wait! There's more!

Better Together: Into the World

The Church is better together, but not to become an insular, inward-focused club. We are better together not just for the sake of our own growth. We are better together for the world, for the sake of the people beloved by Jesus who do not yet know Him as Savior. In John 17:21, Jesus prayed for all His followers, including us today, *“that all of them may be one, Father, just as You are in Me and I am in You. May they also be in Us so that the world may believe that You have sent Me.”*

We will follow our **“Better Together”** series with three weeks focused on joining together in mission. We are not only better together with each other. We are also better together with those in our families, neighborhoods, and beyond who have yet to come to faith in Jesus.

- October 10: Joining Jesus on His Mission
 - October 17: Joining Jesus in our Neighborhoods
 - October 24: Joining Jesus for the World

SURGE

September 7, 14, & 28 from 6-7:30pm in Room 10

Welcome back to school everybody! We are back in school mode, and I am excited to see where we will be led this year. We are trying to get back to normal slowly, but surely, in youth ministry as this year goes on. Blessings to everybody as school gets going!

Beginner's Bible

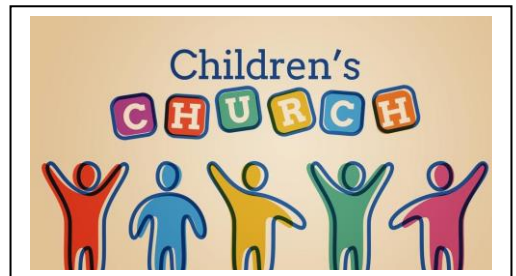

If you attended church as a child, you may have received your first Bible from your church family. How old were you? Do you still have that Bible? Because St. John's Lutheran Preschool is a ministry of St. John's Lutheran Church, we would like to foster a relationship between congregational members and preschool families.

We have 65 children in the preschool this year. If you would like to be a blessing to one, two, or more children and their families this year, we would like to connect you to the child and their parents. It is our hope that every child will receive a Bible and connect with one of our church families.

Last year was such a success, and the kids were so thrilled! Stay tuned for more information in September!

Children's Church Needs Teachers!

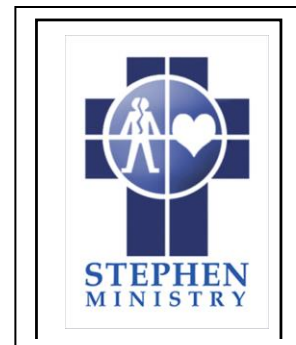

After a long year of not having Children's Church for our kids, we are ready to start back up! Our kids need you! We are looking for new and returning volunteers to teach on a regular basis on Sunday mornings. The kids would be excused for part of the service to attend Children's Church.

Ideally, if you work with a partner, you might only teach once a month. Currently we have two classes every Sunday. The first is a group of 2nd through 4th graders and the second group is preschool- 1st grade. All of the lessons are provided for you. There is a teacher's guide which gives you plenty of options on how to teach the main point for the week. Please call and ask questions if you're interested! I am more than happy to walk you through the process!

It would be so sad if we weren't able to offer this important ministry to our children and families. Our precious children need you!! Please don't hesitate to contact me if you have questions, concerns, etc. Please contact Janis King: iking@stjohnsnapa.org or call (707) 226-7970 THANK YOU!

Stephen Ministers are Compassionate, Full of Faith, Skilled and Trustworthy

The word **compassionate** means “to suffer along with another person.” Compassionate Stephen Ministers are willing and able to share their care receivers’ feelings, and journey with them through their crisis. They are often “wounded healers” who have experienced loss or pain in life. They minister out of their personal understanding of what it’s like to go through a difficult time. Stephen Ministers are passionate about this ministry. They care deeply and personally about their care receivers. They want to bring Christ’s love and care so their care receivers can experience hope and healing.

Stephen Ministers are **full of faith** as they believe in Jesus and minister in His name. They trust God to provide the courage and love they need to care for their care receivers. Stephen Ministry is one way they express their faith in, and love for, Jesus. They pray for their care receivers. They believe that God can and will bring healing and wholeness to their care receivers. They follow their care receivers’ lead in knowing when and how much to share their faith. They trust the Holy Spirit to actively draw the care receiver to Christ.

Stephen Ministers are **skilled** as they study and learn the kinds of feelings and challenges people are likely to experience when going through a crisis or difficult time. They know how to use essential caregiving skills such as listening, understanding and dealing with feelings, beginning and ending care relationships, maintaining boundaries, and helping their care receivers find more appropriate care when necessary. Stephen Ministers are aware that sometimes they must refer their care receiver to professional caregivers, such as pastors, counselors, or mental health professionals, to meet the care receiver’s need. They know how to effectively participate in Supervision Groups.

Stephen Ministers are **trustworthy** and reliable caregivers. They know the importance of their promises to their care receivers, and they fulfill those promises. They care for their care receivers for as long as their support is needed. Even in challenging moments, they remain committed to their care receivers and the caring relationship. Stephen Ministers maintain confidentiality. They don’t tell others what goes on in their caring relationships, and in supervision meetings they are careful to avoid identifying their care receiver. They faithfully attend twice-monthly continuing education and supervision meetings to ensure they and their fellow Stephen Ministers provide the best care possible.

St. John’s is blessed to have 11 **compassionate, full of faith, skilled, and trustworthy** Stephen Ministers who are available to care for those in need. If you, or someone you know, could benefit from talking with a Stephen Minister, contact Penni Cremen 707-483-9321 or Pastor Mike 707-255-0119.

Meditation:

“But now thus says the LORD, He who created you, O Jacob, He who formed you, O Israel: ‘Fear not, for I have redeemed you; I have called you by name, you are mine.’”
(Isaiah 43:1)(ESV)

God’s Stewards are God’s Stewards

This means that God’s stewards are stewards by virtue of creation and their re-creation in Holy Baptism; therefore, they belong to the Lord.

Stewardship, from the Biblical point of view, is a matter of identity. It’s about knowing the One to whom we personally belong. It’s about being known by and knowing the Triune God, the God of the

Bible, the Lord and Giver of Life, the Creator and Re-Creator of all life—God: Father, Son and Holy Spirit.

The Bible teaches God made us, body and soul, for the present and for eternity for Himself, and even when we wander away from God, deny our being stewards, we still are! God has spoken in and through creation. Vitally important for our understanding of the meaning of life is God has spoken through the redeeming, re-creating, new-life-giving work of His Son; through the life, death and resurrection of Jesus the Messiah, the Savior, we are restored to new relationships with Almighty God.

The Bible teaches that it is the gracious action of God-in-Christ who accepts, forgives and makes stewards out of people who are inclined to ignore and even rebel against God. It is a grace-filled response to say, “I am God’s steward!” That is a privilege to be valued highly every day of life.

As we reflect on who and Whose we are, on what God has done for us, given to us, our identity is made more sure, more firm—like a loving child learning of being adopted by loving parents. Being identified as GOD’S steward is about our mission, our purpose for living.

As we consider the Biblical basis for this principle, please reflect on the context of each one of the Bible sections or passages listed. There is much to be gained by careful and prayerful reflection on what God reveals to us in the Bible. The implications of saying, “I am God’s steward” are enormous. It means we can give credit to God as the source of all gifts, talents, skills and time that we have. It means that our stewardship involves all of life and that we are discoverers, developers and deployers of all the gifts God has given to us. Our purpose is to let our life be an offering, a contribution to others in the name of Christ.

Take a close look at Gen. 1; Is. 43:1-3; Rom. 6:1-11; 2 Cor. 5:14-6:2; Eph. 2:8-10; and other references concerning God’s creating and redeeming activity. Prayerfully take notes or make journal entries on your thoughts. Share them with others in a group or class and expand on the privilege of being called “God’s steward.” You are! We are! It is our challenge and privilege to live out that calling, that purpose in daily life. Wow! *God’s stewards are God’s stewards!*

Prayer: Lord, You created me to be a steward. In Holy Baptism, You made me a Christian steward. Guide me in understanding that I am a steward by Your grace and that my stewardship is a way of life. Keep me dependent on You and responsible to You. I ask this for Jesus’ sake, Amen.

LCC K-9 COMFORT DOG MINISTRY UPDATE

To God be the Glory!

Finally, brothers and sisters, rejoice! Strive for full restoration, encourage one another, be of one mind, live in peace. And the God of love and peace will be with you. 2 Corinthians 13:11

Gomer and I are excited to see the students at St. John's Lutheran School return! This year's school and church theme is "Better Together" and we are so happy to be back together in person again. We visited with families new to SJLS at the ice cream social event. (No, we didn't get any ice cream!) We are so glad to welcome them to our St. John's family! I have missed seeing "my kids" so much and I cannot wait for them to get to know Gomer.

We have been busy practicing our skills and keeping our team sharp in anticipation of returning to visiting the community. Recently, I was invited by our friends at Collabria to celebrate the "Dog Days of Summer" with participants in their Day Program. I am hoping to resume regular visits there again starting this month. Gomer has been spending time acquainting herself with the area and meeting new people. She met some of the wonderful volunteers during a visit to the Mission Farm and also took a trip to the fire station.

We both continue to support our first responders/firefighters at the CAL FIRE base camps. Please keep these brave heroes in your prayers.

In addition to our training and work, we have had many opportunities to play together. Gomer has a lot of energy!! Her favorite toy to play with is any kind of a ball. I am hoping to change her mind about that since I prefer to play with the Frisbee. Either way, we both have a lot of fun together.

The weather is still warm but I am starting to see signs of Fall in the Mission Farm as the pumpkins are starting to get big. I am looking forward to seeing where God is leading us. We hope to see you soon!

Thanks for your support and prayers! Please check out Facebook, Instagram, Twitter, and our website for all the latest news. napavalleycomfortdogs.org

Blessings to you as we begin our 2021-2022 school year with the theme "Better Together!" As we start this year, we look forward to having fellowship activities and strengthening our relationships on campus as we learn in our academically challenging

program. We are truly blessed here at St. John's! It is a great place to grow - spiritually, academically, emotionally, physically, and socially.

Our time together began this year with Registration Day on Thursday, August 19. How fun it was to have our students see one another and rekindle their friendships. On Monday, August 23, we hosted an ice cream social for all new families. Much laughter and giggles were shared as we got to know one another.

School successfully began for the 2021-2022 school year with an early dismissal day on Wednesday, Aug 25, 2021.

Some highlights for the month of September include:

- September 2- Early Dismissal for Staff Professional Development
- September 6- No School - Labor Day
- September 9- Back-to-School Night

St. John's and its ministries stay in contact with the community in many ways, including Facebook, Instagram, Twitter, and our own websites. It takes a lot of effort to keep the websites up to date and to keep the communication current and flowing on social media.

The social media team is all-volunteer, and we could use a few more tech-savvy people to help us out. If you are a fan of social media and would like to help us communicate to our members, parents, students, and community, we could use your help.

SO, WHAT'S NEW AT THE FARM?

Submitted by Ted Zimmerman

The harvest at the Mission Farm has truly been God-blessed this year both in quantity and quality. As of the end of July, we have turned in 12,178.75 lbs. of produce to the Napa County Food Bank. In August we have been harvesting and sending in an estimated 1750 to 2000 lbs. of produce! It's going to be a record year.

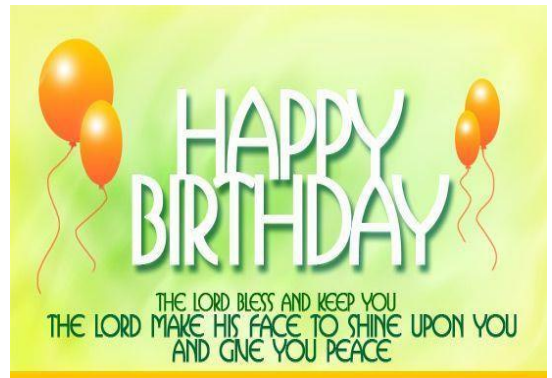

However, the mission of the Farm isn't just about pounds. It's about people . . . people facing, for various reasons, food insecurity. We really don't know how many people our produce helps feed. We do know that historically the Food Bank has been serving about 500 families a week. We understand that as a result of Covid-19 that number increased about five or six times! That's a lot of mouths to feed! Nevertheless, our contributions, together with other community gardens contributing their surplus produce, vendors at the local Farmers' Market contributing some of what did not move on market day, grocery stores contributing foods that are close to the end of their shelf life, and finally what is available from government surplus sources – all are helping to address the problem. We are grateful to be able to do our part.

Thank you for supporting us with your prayers and with your financial support. If you are also able to give a little time helping harvest or processing the harvest, we would be blessed to have you join us. The core volunteers are out there every Monday, Wednesday, and Saturdays mornings, 8:30 to 11:30 a.m. Even contributing one morning a week would serve this ministry well!
