

St. John's Lutheran Vacation Bible School

June 17-20, 2024

9am-Noon

Preschool through incoming 4th Grade students

Get ready to dive into friendship with God! We are heading on a Scuba mission this summer in hopes of seeing all the wonderful things that live in the deep blue sea! Through singing & dancing, arts & crafts, games, snacks, and an awesome Bible Discovery we will learn all about God and his great love for us. Our hope each year is that the kids show up excited for a great time with their friends and leave here knowing just how magnificent God truly is and how special he has created them to be. It's impossible for us to make this happen without each and every volunteer that dedicates their time to this mission. Please prayerfully consider serving as a volunteer to make this week truly unforgettable for the kids.

You can sign up as a volunteer as well as register your child [here](#).  
If you have any questions regarding VBS please contact Kevin Mathison at
